

Disability Support Worker – Community

Are you reliable, resilient, resourceful, responsive and ready to deliver services under the NDIS?

Full-time or Part-time roles, Barossa Valley region

About Us

Barossa Enterprises provides Supported Employment, Accommodation & Lifestyle services enabling people with a disability to live a productive and integrated life in the community. We are undergoing an expansion of services in the Barossa Valley region and are seeking staff who share our commitment for quality and effective services which respect the rights, needs and dignity of the people we work with.

About You

You are committed to meeting the needs of people with a disability in the community. You're dedicated to delivering services which facilitate developmental opportunities through daily activities, and are collaborative and willing to contribute to the individualised Support Planning process. You'll also have some other special qualities you will bring to the role that you'll want to tell us about.

What we are looking for:

It is a given that you will be resilient, experienced in dealing with challenging behaviours, and be able to adhere to agreed plans in challenging situations. You will be the "face" of our services and represent what our services are: professional, caring, ethical, engaging, person centered and outcome focused. Responsibilities include supporting people with disability to learn daily living skills and social skills in a group environment. Responsibilities also include assisting people with recreational activities and to engage in the community.

You will have:

- These mandatory CURRENT qualifications:
 - DCSI Police Clearance (Vulnerable Children)
 - Cert III Individual Support (Disability) equivalent or higher
 - Full Drivers Licence AND Driver History Check from within the last 12 months
 - First Aid Certificate including CPR
 - Support with Medication
- An ability to work both day and evening shifts
- The physical capacity to undertake normal housekeeping and cleaning duties as well as support clients in active recreation
- Well-developed communication and interpersonal skills to communicate effectively with participants, their families, community agencies and other professionals
- Computer and database literacy
- Ability to work as part of a team in supporting skill development according to programs and Individual Daily and Behaviour Support Plans

We reward by providing:

- Full time or part time employment
- Competitive salary
- Great team environment
- Leadership from people who are committed to the rights and wellbeing of people with a disability
- Tax benefits for working for a Not for profit organization
