

Disability Support Worker – Home Support

Are you reliable, resilient, resourceful, responsive and ready to deliver services under the NDIS?

Full-time or Part-time roles, Barossa Valley region

About Us

Barossa Community Options (BCO) is the home & community division of Barossa Enterprises, offering a range of home supports and community based programs that promote independence, physical and psychological wellbeing. Our programs teach everyday skills in a safe and fun environment.

These skills assist people to develop their abilities and provide opportunities to live more independently, make new friends and engage in the community

About You

You are committed to meeting the needs of people with a disability in the community. You're dedicated to delivering services which facilitate developmental opportunities through daily activities, and are collaborative and willing to contribute to the individualised Support Planning process. You'll also have some other special qualities you will bring to the role that you'll want to tell us about.

What we are looking for:

It is a given that you will be resilient, experienced in dealing with challenging behaviors, and be able to adhere to agreed plans in challenging situations. Responsibilities include support in activities of daily living, personal care, supporting social and vocational skills and participation.

You will have:

- An ability to work both day and overnight shifts
- The physical capacity to undertake normal housekeeping and cleaning duties as well as support clients in active recreation
- Well-developed communication and interpersonal skills to communicate effectively with participants, their families, community agencies and other professionals
- Computer and database literacy
- Ability to work as part of a team in delivering Daily and Behaviour Support Plans
- Suitable Qualifications (Cert III Disability, First Aid, Support with Medication)
- Unrestricted driver's licence, driving history check, and ability to drive clients to appointments in Adelaide and be capable of driving at night on occasions
- DCSI National Police History Check

We reward by providing:

- Full time or part-time employment
- Competitive salary
- Great team environment
- Leadership from people who are committed to the rights and wellbeing of people with a disability
- Tax benefits for working for a Not for Profit organisation.
