

### **Do you have ...**

- an interest in gardening, or a desire to learn?
- A commitment to working within job description?

### **Can you.....**

- obtain a Police Clearance?
- abide by a Code of Conduct?

## **'Communities Growing Together'**

**Barossa Enterprises Community Garden is run by volunteers with the objective of providing a range of benefits to people with a disability. Benefits include the ability to participate in a healthy outdoor activity, learning where and how food is grown, a sense of achievement, enjoying the goodness of fresh produce in their meals at work and at home.**

## **Barossa Enterprises Gemeinschaft Volunteer Project**

**Gemeinschaft** – is a literal translation for ‘community’ in German. It describes a community united by common interests, personal or family ties. It’s a term which describes those old fashioned, often rural close knit communities where everyone works together to support each other in business and daily life. In a positive sense, each person’s business is everyone’s business, so the community works together to support a successful outcome.
